WHAT:

## **I-95 AFC Between Ann Street and Frankford Creek**

The Pennsylvania Department of Transportation (PennDOT) invites you to a Public Open House Meeting to view plans and information on the project to improve Interstate 95 between Ann Street and Frankford Creek in Philadelphia. This improvement project is part of PennDOT's comprehensive program to rebuild and enhance I-95 in the city. This section of the interstate is presently in preliminary engineering.

The I-95 AFC improvement plan includes the reconstruction of the highway and traffic improvements on surrounding streets, including Richmond Street between Ann Street and Westmoreland Street. At the Public Open House Meeting, PennDOT's project team will be available to provide information and address questions or concerns. The meeting also will feature a presentation, project display boards and information on the project schedule.
